

GROTTA

A modular sofa based on the image of a combination of square boxes. It is designed to produce an open space with an extremely simple low-back form. Combined with our box table which matches the sofa's size, it is possible to create a more attractive space. The back, seat, and arms are luxuriously made with a firm foam core and feathers to create comfort which is soft and enveloping.

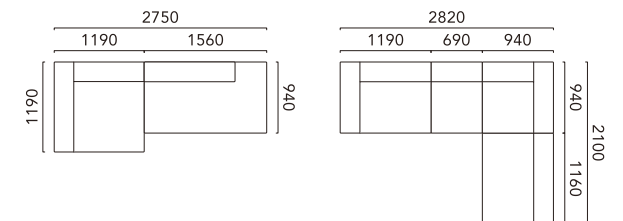

One Arm 1190 R + One Arm 940 L (Fabric)
BOX TABLE Wide 870
B490 Square Cushion + 400 Square Cushion (Fabric)

- With its knockdown structure, the back, seat, and arms can be removed individually, making it easy to carry in and out, as well as changing the coverings.
- We offer parts used to join other items/units (sold separately)
