- "High back" and "low back" that can be selected according to the space.  
By choosing "high back" and "low back", you can arrange them in your desired spaces. It is more compact than a one-seat sofa and does not feel oppressive. You can enjoy coordinating it as an accent for your space.
- Backrest supports comfortable sitting comfort.  
The radius of the backrest conforms to the body's natural lines for superior support and comfort.
- You can stretch your legs and relax by combining it with a dedicated stool. (sold separately)
- The main body is upholstered and the seat cushions are covered. (In the case of leather upholstery, it will be all staked out.)
