

ALBA

Introducing the Alba sofa - a comfortable and versatile piece of furniture that allows you to sit cross-legged or recline with ease. Its low center of gravity and spacious seating area give it a sleek, unobtrusive profile that won't dominate your living space. The seat is designed to sink in just the right amount, providing a luxuriously comfortable experience. The Alba sofa is also highly practical, with detachable wooden legs for customizable height, and the base and sofa section can be easily separated for portability.

Sofa 1940 (Fabric)

- The seat and base can be easily disassembled, allowing for convenient transportation in narrow spaces.
