

LIFE

This piece showcases a side profile of an armrest. Its sleek and concise design produces a spacious seating area with a substantial reach. The lumbar support cushion, which provides gentle reinforcement for your lower back during seating, can be tailored with a distinct fabric from the rest of the piece, giving you the freedom to create your own unique combinations.

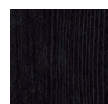

Armchair 900 + Stool (Leather)

- The device has a feature that allows for both high and low settings for the head.
- Choose different upholstery for the main body, seat cushion, and bolster cushion with this combination upholstery model.
- When connecting sofas, please use joint fittings which are sold separately.
